Section 2. Section 4. At any meeting of the members held in accordance with the foregoing provisions as to notice, the members attending such meeting, present in person or by mail or electronic ballot shall constitute a quorum of the members for all purposes unless the representation of a larger number should be required by law and in that case the representation so required shall constitute a quorum.

Section 5. The President shall act as Chairperson of any meeting of the members, but in his/her absence, at any meeting regularly called pursuant to these Bylaws, any other officer may call the meeting to order and act as Chairperson, precedence being given to the order of officers; Vice President, Treasurer, and Secretary. The Secretary of the Society shall act as Secretary of all meetings of the members, but in the absence of said Secretary, the Directors may appoint any person to act as Secretary of the meeting.

Section 6. Whenever in these Bylaws the term member or members shall be used, unless otherwise specified, it shall mean a member or members having the right to vote.

ARTICLE IV - ELECTIONS

Section 1. Within forty-five (45) days of the annual meeting, the President shall appoint a Nominating Committee to propose nominees for Directorships for the next year's election. This committee shall consist of at least three (3) persons, any of whom may or may not be Directors. However, no person who would be scheduled to stand for election the next year may serve on this committee.

Section 2. The Nominating Committee shall make its recommendation not later than October 15 of that year. At least two (2) persons will be nominated for each Directorship that is to be filled by votes of the members. To be eligible for nomination a person shall have been a member of the American Hackney Horse Society for at least three (3) consecutive years as of the date of the next annual meeting.

Section 3. The following procedures shall be followed by the Nominating Committee. A prospective nominee shall be contacted to ascertain whether or not that person is willing and able to serve as a Director. The prospective nominee should indicate his/her understanding of the duties of a Director and his/her intention, if elected, to attend the meetings of the Board of Directors. Once the Committee has chosen its nominees, a letter listing the nominees and signed by each member of the Nominating Committee shall be sent to the President, with a copy to the Secretary/Executive Secretary. The Secretary/Executive Secretary will use this list for preparing the ballots to be mailed to the membership.

Section 4. The Directors of the American Hackney Horse Society shall be elected by mailed secret ballot prior to the annual meeting. At least forty-five (45) days prior to the annual meeting, the Executive Secretary shall mail a ballot and voting instructions to each member eligible to vote.

Section 5. Each member eligible to vote shall clearly mark the ballot for his/her choice of Directors. Voting members may select from the list of nominees proposed by the Nominating Committee, or may write-in, in lieu of one or more such nominees, the name of other members whom he/she believes to be eligible to hold the office of Director. For a ballot to be valid, a member must not vote for a number greater than the total number of Directors to be elected.

Section 6. After completing the ballot, the member must place and seal it in the ballot envelope. This ballot envelope together with the signed authentication sheet bearing the member's signature and address shall all be placed in the return envelope. Any ballot in a transmitting envelope postmarked later than 11:59 P.M., twenty-five (25) days preceding the date of the annual meeting, or received later than fifteen (15) days prior to the annual meeting, shall not be opened or counted. Proxy votes are not permitted.

Section 7. An ad hoc Ballot Committee, consisting of a chairman and at least two other members, shall be appointed by the President to open and count all ballots that have been properly executed. This committee shall contain at least two non-directors. No person who is up for election or reelection as a Director may serve as a member. All members of the committee must be present for the opening and counting of ballots. This committee by unanimous vote may disqualify any ballot that has been improperly executed, for example, one that contains votes for more persons than there are vacancies to be filled. However, if the committee is not unanimous in reaching a decision on a questionable ballot, the matter shall be referred to the Board of Directors for resolution. No person who served on the Nominating Committee for that year may serve as a member of the Ballot Committee.

Section 8. Nominees will be contacted by the President ten (10) days before the annual meeting with the results of the election. Results of the election of Directors shall be announced by the President at the annual meeting of members. The Secretary/Executive Secretary shall maintain a permanent record of the number of votes cast for each nominee for possible use by the Board of Directors in choosing an interim Director. Additionally, any member may ascertain the number of votes cast for any candidate by contacting the Secretary/Executive Secretary.

Section 9. In the event a vacancy occurs on the Board of Directors, at its

next meeting the Board may appoint an interim Director to serve through the actual unexpired term. When possible the interim Director shall be that nominee from the last annual election who received the greatest number of votes of all the unsuccessful nominees. Should more than one vacancy occur, the next nominee from the last election will be considered, and so on.

ARTICLE V - DIRECTORS

Section 1. The affairs and business of the Society shall be conducted by a Board of Directors consisting of fifteen (15) in number, who shall be elected in accordance with these Bylaws. Five (5) directors will be elected each year for a three (3) year term.

Section 2. No Director shall serve more than two (2) consecutive three (3) year terms without a period of one (1) year intervening before re-nomination.

Section 3. The Presence of eight (8) Directors at any meeting of the Board of Directors shall constitute a quorum for conducting business of this Society. A simple majority of Directors present at a meeting shall be sufficient to adopt any measure properly placed before the Board, providing a quorum be present. In the event of a tie vote, the measure will not be adopted. The vote of each Director shall be equal weight with that of any other Director. There shall be no provision for votes by proxy by Directors unable to attend a meeting.

Under extraordinary circumstances, by prior arrangements, and unanimous consent of the executive committee, members of the Board of Directors may participate in meetings of the Board of Directors by means of a conference telephone or similar communication equipment which allows all persons participating in the meeting to hear each other at the same time. Participation by such means shall constitute presence in person at said meeting. This type of participation is specifically not allowed at the annual Board of Directors meeting where officers are being elected, or at the designated Board of Directors spring meeting.

Section 4. The Board of Directors shall have the power to make and adopt such rules, regulations and fees so as to conduct the business of the Society as will not be inconsistent with the Certificate of Incorporation, these Bylaws, or the laws of the State of New York.

They shall have power to hold meetings, employ any necessary staff and employees including an Executive Secretary and/or Treasurer, accept new members as in these Bylaws provided, authorize proper expenditures, and take all necessary and proper steps to carry out the purpose of this Society and promote its best interests.

Section 6. If any officer or director of the Society is made a party to any civil or criminal action, suit or proceeding in any matter arising from the performance of his or her duties for or on behalf of the Society, then, to the full extent permitted by law, including applicable provisions of New York's Not-for-Profit Corporation Law as in effect from time to time, the Society shall indemnify the officer or director for all amounts paid by him or her in connection with the action, suit or proceeding including any judgments, fines, amounts paid in settlement and reasonable expenses, including attorney fees, or in connection with the appeals. These provisions shall apply to both derivative and non-derivative actions to the extent permissible by law, and shall include an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any officer or director of the Society served in any capacity at the request of the Society, by reason of the fact that he or she, his or her testator on intestate, was an officer or director of the Society, or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity.

Section 7. The Board of Directors of the American Hackney Horse Society shall meet quarterly, if feasible, and in any case, at least three (3) times annually. The Secretary/Executive Secretary shall give at least fifteen (15) days notice in writing of any meeting of the Board of the Directors, stating the time, place and purpose of the meeting. Meetings may be held within or without the State of New York.

Section 8. The official annual meeting of the Board of Directors shall be held immediately after the annual meeting of the membership, provided a quorum of such Directors shall be present, to elect from the elected Directors a President, Vice President, Secretary and/or Treasurer, and such other officers as it deems necessary. The offices of Secretary and Treasurer may be filled separately or combined together at the discretion of the Board of Directors. In case such a meeting is not held due to a lack of a quorum, a meeting of the Board of Directors shall be called by the past President within sixty (60) days of the annual meeting.

Section 9. Special meetings of the Board of Directors shall be called by the Secretary/Executive Secretary at the direction of the President or written direction of one-third (1/3) of the Directors.

Section 10. In order to maintain an active and participating Board of Directors, the following procedures shall be followed to effect removal of non-functioning Directors. Any Director who fails to attend two (2) called meetings of the Board of Directors during the year, shall be considered to have vacated his/her Directorship, and

the Board of Directors shall appoint an Interim Director in accordance with these Bylaws. Action to replace non-functioning Directors shall be initiated at the first meeting of the Board of Directors following the period of non-participation.

The following exception to the one (1) year rule referred to in this Article shall be made. Any Director failing to attend two meetings of the Board of Directors for one (1) year due to extraordinary circumstances may petition the Board of Directors in writing to retain his/her Directorship, explaining the reasons for non-participation. The Board of Directors shall judge the situation on its merits and either approve the continuation of that Director in office or appoint a replacement, as it sees fit. However, such Director shall in no case be continued in office in the absence of a specific written request to do so.

1. DNA testing is accepted as the type of Parentage Verification. All mares producing foals in 1998 and thereafter must be DNA typed and recorded in the office. All animals foaled after January 1, 1999, must be DNA parentage verified and recorded in the office when: placed in competition, placed into breeding production, or upon transfer of ownership. 4. Beginning in 2010, Embryo transplants involves the transferring of an embryo from its genetic dam (the donor mare) to another mare (the recipient or carrier mare) which acts as the host and carries the foal. b. Should the registration or proposed registration of an animal be questioned, the following procedure will be followed:

1. A complaint, signed, dated, and notarized by a current member in good standing of the Society must be received in the office within two years of the date of issuance of the registration in question.

2. The owner of the animal in question will be promptly notified of the complaint and given 60 days to authenticate or validate the correctness of the item or items in question.

3. No action will be taken if the disputed information is validated or verified within the provided time period.

4. Should the owner be unable or unwilling to substantiate disputed information, the registration will be "suspended", pending resolution.

5. Should a complaint be submitted prior to registration, a certificate of registration will not be issued until the matter is resolved.

6. All pertinent items of testimony presented to authenticate the correctness of the registration shall be presented to the Board of Directors. In all cases it is the responsibility of the owner to authenticate the items in question.

7. Upon review of the submitted information, the Board of Directors shall make one of the following determinations:

a. The information may be deemed to be "acceptable" thereby removing the registration from "suspension". As such the registration will be re-instated and the registration certificate, if held by the Society, will be returned to the owner.

b. The information may be deemed to be "unacceptable", thereby leaving the registration in "suspension". In the case of an unregistered animal a certificate of registration will not be issued.

c. As a third option, the Board may refer the members to resolve their issue in civil court. As such, the animal will remain unregistered or the registration will remain in "suspension".

2. Registration "Suspension"

d. Should the issue or issues causing the animals registration to be suspended, be resolved, and cleared by the Board of Directors, the full and current registration of the animal shall be immediately restored without additional registration fees or costs to the owner.

e. The time frame of "suspension" is indefinite and dependent only upon resolution of the issue or issues causes the "suspension". The suspension could be lifted immediately or go on indefinitely.

f. During the time period when an animal's registration is suspended, the owner will be required to surrender the Certificate of Registration. Failure within 30 days of notification to send the Certificate of Registration to the Office of the Society will cause termination of the membership of those listed on the registration as owners.

3. If a conviction results from a competition contracted drug testing program at an American Hackney Horse Society sponsored event or class, both the trainer and owner shall forfeit all prize money, trophies, and ribbons received in the class in which the offense occurred. Neither the trainer nor owner of the animal involved shall be eligible to show in any class sponsored by the Society at that show the next calendar year. A sample of each person's signature must be shown on the Letter of Authority. Authority to sign transactions may be granted retroactively, but cannot be canceled retroactively.
